FAQ

Contingency plan is basically alternate plan in case original plan fails such as an equipment failure, labor shortage.. Purpose is to ensure continuity of supply to customers in case original plan fails.

1. [business plan](#)
2. [business plan examples](#)
3. [business plan powerpoint](#)

We need to remember contingency is not always having an alternate equipment It could be keeping enough stock to ensure continuity of supply, importing material, supplying from other plant.
